Student Right to Know Disclosure

Career Development Institute, Inc. must annually report its completion or graduation rates through the IPEDS (integrated Postsecondary Education Data Systems) web site. The overall graduation rate is known as the “Student Right to Know” or IPEDS graduation rate. Graduation rates can be measured over different lengths of time. “Normal time” is the typical amount of time it takes full-time students to complete their program. The rate shown below tracks the progress of students who began their studies as full-time, first-time degree- or certificate –seeking students at Career Development Institute, Inc. to determine if they completed a degree or other award such as a certificate within 150% of “normal time.”

The annual rates are available July 1st each year. Disclosure Date 07/01/2013 – Career Development Institute, Inc.

DEFINITIONS:

- On-Time Completion Rate (as defined in 34 CFR 668.6(c)). This number is based on the students who graduated during the award year, and did so within normal time. Normal time is based on the published length of the program in the catalog. This rate is not reflective of the overall completion rate of the program. On-time completion rates can be affected by scheduling changes, failed courses or extended externship hours.
- Tuition and Fees includes the tuition and fees charged for the program during the award year ending on June 30, 2014; the total includes books and equipment. Current tuition and costs can be found in the School Catalog.
- Placement Rate is based on the calculation required by CDI’s accrediting body, ABHES. ABHES defines placement rates as the number of graduates who completes within 150% of the program length during the reporting period that were available for employment and found a job in their field of training, divided by the total number of graduates available for employment.
- Median Loan Debt is the median debt incurred through Title IV HEA loans and other private financing sources by students who complete the program.
