FINANCIAL NEED

“Educational Costs” include tuition, fees, books and supplies. Estimated living expenses are also considered for determining the student’s cost of attendance.

This formula below is used to establish standards of monthly living costs under various conditions. Program costs need to be added to the following figures to calculate the cost of attendance.

Financial need is the difference between actual costs to attend school and the amount the student and/ or family are expected to contribute toward the student’s education.

Students must file a FAFSA (Free Application for Federal Student Aid) to receive Federal Aid. The FAFSA has confidential financial information such as family income, assets, number of family members in the household, and number of persons attending post-secondary education.

These items are necessary to determine the amount of the Expected Family Contribution (EFC). The EFC is used to determine financial aid eligibility and does not represent the amount the student pays to the school.

Below is the Federal formula for determining eligibility:

Student's Financial Aid Need: Financial Aid need is used to determine eligibility for certain programs.

Cost of attendance: Direct costs include Tuition, books, supplies
Indirect costs include Room & board, travel, personal and miscellaneous expenses

Minus (-): EFC (Student's Expected Family Contribution)

Equals (=): Student's Financial Aid Need – Financial Aid need is used to determine eligibility for certain programs

ELIGIBILITY REQUIREMENTS

- Be a U.S. Citizen or National, a U.S. Permanent Resident, or in the United States for other than temporary purposes with the appropriate DHS documentation, or a Citizen of the Freely Associated States.
- Be enrolled as a regular student in an eligible program.
- Have a high school diploma or equivalent.
- Meet enrollment status requirements.
- Have resolved any drug conviction issues.
- Not owe an overpayment on a Federal grant or be in default on a Federal Educational loan received at any school.
- Have a valid social security number.
- If the student is a male who is at least 18 years old, he must be registered with the Selective Service.
- For the FSEOG and Pell Grant only, the student cannot have previously received a bachelor's degree.
- Make satisfactory academic progress (SAP). The definition of SAP is in the school catalog.

If the student was receiving Federal Student Aid during a period of enrollment, and had a federal or state conviction for the sale or possession of drugs, and is over the age of 18, the student may be ineligible for Federal aid. Please consult with the financial aid department or call 1-800-4-FEDAID (1-800-433-3243) to find out more information about this law.

It is important to understand rights and responsibilities about financial aid programs that are available. The United States Department of Education has prepared a brochure entitled "Funding Education Beyond High School, The Student Guide to Financial Aid from the U.S. Department of Education". This brochure is available online at the following website location: <https://studentaid.ed.gov/sa/sites/default/files/funding-your-education.pdf>

HOW STUDENTS APPLY FOR FINANCIAL AID

Students applying for financial assistance are required to complete the Free Application for Federal Student Aid (FAFSA) online at: www.fafsa.ed.gov. Students must meet all Federal submission deadlines for the Federal Financial Aid Programs.

The financial aid administrator will calculate student aid eligibility. The total amount of financial aid awarded is limited to program limits and maximum annual borrowing amounts.

Students will receive an award letter from the financial aid department. The student should notify financial aid if they wish to reject an award or revise a loan amount.

Students who make payments to the school will be required to sign a promissory note as well as the Federal Truth in Lending Act (TILA) forms.

If applying for Federal Direct Loans, the student will complete a master promissory note (MPN) and entrance counseling.

FAFSA VERIFICATION

If selected for verification by the U.S. Department of Education, you will be contacted by our Financial Aid Department. Federal regulations require that the following information is verified for accuracy before payments can be made:

- Household size
- Number in college
- Income earned from work for non-tax filers
- Adjusted Gross Income (AGI)
- U.S. Income Tax paid
- Certain types of untaxed income and benefits
- Child support paid
- Supplemental Nutrition Assistance Program (SNAP) benefits
- IRA/Keogh deductions, untaxed pensions
- Education Credits
- Tax-exempt Interest income
- Other untaxed income included on U.S. income tax return

As part of the Verification process, the student may need to verify High School or GED completion. Students may need to provide proof of identity such as a driver license, state issued ID or passport. Student may be required to provide documentation from outside sources such as Federal Tax Return Transcripts from the IRS or W-2's.

The student will be notified of any changes to their awards after the verification process is complete.

The school cooperates with all government agencies. Any student suspected of financial aid fraud will be reported to the Regional Office of the Inspector General. If a prospective student or current student suspects fraud, he or she should follow the student complaint and grievance policy as outlined in his or her campus catalog.

COMMENT CODES / CONFLICTING INFORMATION

Students may be required to provide additional documentation to resolve comment codes or conflicting information on their applications. This documentation may include social security card, birth certificate, passport, marriage license, DHS documents, etc. If flagged by the Department of Education for Unusual Enrollment History the student may be required to provide college transcript(s) from previous enrollments. The financial aid office will notify the student if further documentation is required.

It is school policy that each student is given a clear, written explanation of the forms and other documentation needed to verify an application. The student will be given a reasonable length of time to supply the required information. If the student fails to provide documentation, CDI will

be unable to process Financial Aid and satisfactory out-of-pocket payment arrangements must be made.

DISBURSING FUNDS

Funds will be applied directly toward tuition and fees. Any overage that occurs will be paid to the student per Federal regulations. Disbursement of funds usually occurs at the pre-determined pay period dates of each academic year for non-term programs. For non-standard term programs, disbursement may vary.

TO CONTINUE RECEIVING FINANCIAL AID

The student must make Satisfactory Academic Progress (SAP) to continue receiving financial aid funds. Academic progress is verified prior to disbursement of financial aid. The SAP policy is in the school catalog. **Financial aid is NOT automatic.** The student must reapply and complete the current FAFSA each award year by going to www.fafsa.ed.gov. The student will be notified by the financial aid administrator when a new application should be submitted.

HOW REFUNDS AFFECT FINANCIAL AID

The following explains policies on refunds to financial aid programs for students who withdraw from school. The catalog gives a detailed explanation of how tuition and fee charges are calculated when a student withdraws.

The amount of financial aid that is retained in the event of withdrawal is based on the U.S. Department of Education regulations. The school may be required to return funds leaving a balance that must then be paid out-of-pocket to CDI, Inc. by the student.

Refunds must be returned to the Federal Student Aid programs in the following order:

- Federal Direct Unsubsidized Loan
- Federal Direct Subsidized Loan
- Federal Direct Parent PLUS Loan
- Federal Pell Grant
- Federal SEOG
- Other Title IV programs
- Other Federal, state or institutional sources
- Student

If excess financial aid funds have been disbursed, the student may have received an overpayment that must be repaid to the DOE. The student will not be able to receive Federal financial aid at any other school until the overpayment is resolved.

CDI withholds official academic transcripts on students owing overpayments or a balance to the school.

BORROWER INFORMATION

REPAYMENT

Repayment begins six months after the student graduates or is enrolled less than half time. This period is called a grace period. Repayment begins after the grace period. Any payments made during the grace period will reduce the loan balance and interest.

The monthly payment is based on the amount borrowed for the Federal Direct Subsidized and Unsubsidized loans. During the exit counseling at www.StudentLoans.gov, repayment information will be displayed. The minimum monthly payment is \$50 on Direct Loans, \$40 per month on Federal Perkins Loans.

INTEREST

No interest is charged on the Federal Direct *Subsidized* Loan until six months after the student graduates or is enrolled less than half time. Interest is charged on the Federal Direct Unsubsidized Loan starting from the first disbursement. An option is given on the master promissory note to pay the interest or let the interest accrue until repayment.

PAYMENTS

Payment to Federal Direct Subsidized, Unsubsidized, and Plus Loans are paid directly to the Department of Education loan servicer. The address and telephone number of the servicer handling the loan can be found at: www.StudentLoans.gov and is covered during online exit counseling.

For questions on Federal Direct Subsidized, Unsubsidized, and Plus Loans contact the U.S. Department of Education Student Loan Support Center at: 1-800-557-7394.

DEFERMENT / FORBEARANCE

Under certain circumstances, the student may qualify for a deferment or forbearance on the loan. During a deferment, no payments are required and interest does not accrued on the Subsidized loan. Interest will continue to accrue on the Unsubsidized loan. During forbearance, payments are postponed or smaller payments can be made temporarily. Interest accrues on all educational loans during a forbearance.

The Financial Aid Department is available to help students with any loan questions, including deferment, forbearance options, repayment, etc. Contact the Director of Financial Aid at 310-559-0225.

OTHER SPECIAL REPAYMENT CASES

The Department of Education understands there may be situations that make loan repayment difficult. The student can apply for a delayed or reduced repayment schedule based upon documentation of extraordinary circumstances. Interest continues to accrue during this period.

LOAN CONSOLIDATION

The student can apply for a loan consolidation to combine loans together into one payment and possibly lower the payment amount. Loans are consolidated at the weighted average interest rate and rounded to the nearest whole percentage. The monthly payment may be lower and the student will only have one payment. Be aware that the number of years of repayment may increase and it can also increase the interest. Loans are consolidated through an application submitted at studentloans.gov. To ask questions about consolidating your loans before you apply for a Direct Consolidation Loan, contact the Loan Consolidation Information Call Center at 1-800-557-7392

LOAN CANCELLATIONS

Teaching in low-income schools, serving the disabled, Head Start programs, military service in hazardous areas and Peace Corps Service (applicable only to loans to new borrowers after July 1, 1987) may qualify for a partial cancellation. The student's Federal loan obligation will be discharged upon death or approval of permanent disability. In certain circumstances, military personnel may have their loans repaid by the Secretary of Defense in accordance with Section 902 of the Department of Defense Authorization Act of 1981. Questions concerning this program should be addressed to the Financial Aid Department.

NATIONAL STUDENT LOAN DATA SYSTEM (NSLDS)

Students and/or parents who receive a Federal student loan will have their information submitted to NSLDS and will be accessible by guaranty agencies, lenders and eligible institutions. For complete information on Federal Student Loans go to: www.nsls.ed.gov and www.StudentLoans.gov.

STUDENT RESPONSIBILITIES

The student should notify their loan servicer of a name or address change. Students are required to complete loan entrance counseling when they first apply and exit counseling upon leaving school.

The student is responsible to repay their loans. If the student does not hear from the loan servicer once out of school, the student should call the Student Loan Support Center.

Students should make prompt payments. Past due accounts are referred to the Department of Education and the Internal Revenue Service. Law requires that the Department of Education

release information on students with poor payment records to credit bureaus throughout the country. Overdue payments obligate the student for additional fees and legal costs if a legal suit is filed for collection.
